The Williams-Corbett Foundation generously sponsors the Passport to Santa Barbara County. Support is also provided by the Santa Barbara News-Press and the Santa Barbara County Education Office. This program is produced by the Santa Barbara Educators' Roundtable.

The Williams-Corbett Foundation generously sponsors the Passport to Santa Barbara County. Supporters also include the Santa Barbara News-Press and Santa Barbara County Education Office.

The Passport Is Back!

Kids, get ready to visit local hot spots—museums, gardens, visitor centers, public lands, and libraries with your *Passport to Santa Barbara County*. If you are in kindergarten through 6th grade and have a Passport, YOU, plus one adult age 16 or older, get FREE entry to ALL participating places (listed below). A fun activity awaits you at each place. For each finished activity, you get a stamp in your Passport booklet. You get a FREE T-SHIRT if you earn eight stamps by April 15, 2011.

Get your Passport at local public libraries and participating local schools starting mid-December. Quantities are limited, so don't miss out. You will also be able to download the Passport at www.sbert.org.

Get ready to EXPLORE, DISCOVER, AND LEARN!

Sincerely,
The Santa Barbara Educators' Roundtable

Where can you find all kinds of unusual vehicles - some that you can actually ride?

Now Try This!

Can you name the Passport place in each of the photos? Use the clues in the captions. There are lots of other places you can visit to fill your Passport; they are all listed below. Answers are at the bottom of the page.

Where can you go see a wild teenage bald eagle?

Where can you go to watch trout grow up?

Where can you go to see Chadwick and Gingerbread sleep up to 20 hours per day?

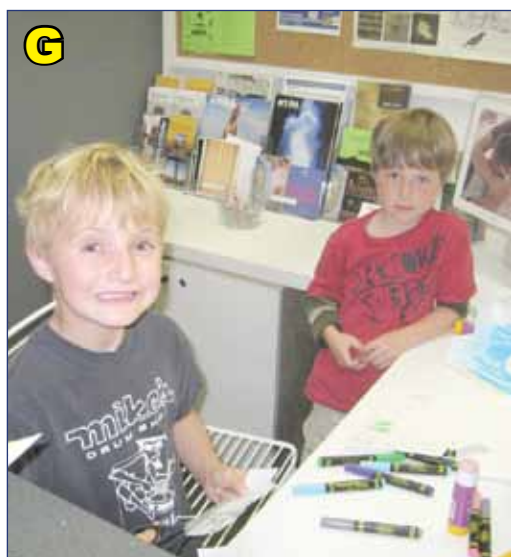

Where can you go to experience wilderness through art?

Where can you see a shark face-to-face?

At which historic site in downtown Santa Barbara are these children enjoying Early California Days?

Where can you go to experience and create the art of our time?

Where can you learn about insects inside a museum hall and then go right outside and look for insects along Mission Creek?

Where can you have fun learning about flowers?

Where can you find the largest statues made by Native Americans in California?
