Dear Kids,

The Santa Barbara Educators' Roundtable invites kids to travel to local visitor-education centers, parks, gardens and museums to fill a Passport. What is a Passport? A Passport allows free entry to Roundtable member institutions for kids K-6 and one friend 16 or older. A fun activity awaits you at each place, and you get your passport stamped. Collect eight stamps before April 30, and get a free t-shirt.

Soon you will find Passport booklets at many local schools and public libraries. Quantities are limited, so get yours soon!

Try to identify each of the Passport destinations shown in the photos. There are many more places you can visit to fill your Passport. Choose from the list below. Answers are at the bottom of the page.

Bon voyage! We'll see you out and about!
